Dear ASA Member:

Please find attached the Official 2010 American Subcontractors Association, San Diego County Chapter's Nomination Ballot for our 21st Annual Awards.

It is the time of year when you have the opportunity to nominate several individuals and companies for conducting business in a professional and fair manner. This is an excellent way to reward those companies and individuals for doing a great job.

Nominations for Project Manager and Superintendent of the Year should include the name of the individuals and the contractors they work for. Nominate three candidates for Subcontractor of the Year, "Large" General Contractor, ASA Member of the Year, and Affiliate Member of the Year. The affiliate, member and subcontractor nominees must be active members of this ASA Chapter.

The top three nominees in each category will participate in a final vote for the annual winner. Please participate to insure that we have a field of nominees that truly represent our industry.

The awards will be given out at our Award Banquet on July 13, 2011 which will be held at The Four Points Sheraton Hotel. Please save the date and join us for this annual event.

Please return your completed nomination ballot to me by email or fax by May 27, 2011. Or submit your ballot online at
